Family or Estate Monuments

These monuments typically display a family name and have multiple ledgers, bevel markers, slant markers or flat markers to represent individual members of the family.

Companion Monuments

These monuments typically have inscription panels on the face of the monument for individuals.

Individual Monuments

These monuments are typically smaller and are ideal for individuals. It is possible to place inscriptions on one of these monuments for two individuals, however space may be limited.

Half Serpentine Monuments

These monuments may be used for Family or Estate monuments, Individual Monuments or Companion monuments depending on the arrangement of the inscriptions and placement of markers or ledgers for individuals. It is also a nice way to feature a vase for flowers.

Wing-Style Monuments

These are popular companion style monuments and present a nice opportunity for a flower vase.

Decorative Markers are available in a variety of styles and sizes. They are made of granite and are available in a variety of colors and finishes. They are also available in a variety of shapes and sizes. They are made of granite and are available in a variety of colors and finishes. They are also available in a variety of shapes and sizes.

Flat Markers are small, low-profile markers or flush markers because they are flat or flush against the ground.

Traditional are the most common type of headstones. They are typically rectangular and feature simple family portraits and inscriptions.

Engravings are typically placed on the back of the stones and may be created by hand or by machine.

Benches are another popular choice for families. They can be made of granite, marble, or bronze. They are often placed in front of a grave to provide a place for family members to sit and reflect.

Monuments can be made of granite, marble, or bronze. They can be made in a variety of shapes and sizes, and they can be engraved with names, dates, and messages.

A Crypt or Mausoleum can be an ideal way to preserve the memory of an individual or an entire family. Crypt designs are available in a variety of configurations, and a walk-in mausoleum can be custom designed for two to eight niches.

Monuments can be made of granite, marble, or bronze. They can be made in a variety of shapes and sizes, and they can be engraved with names, dates, and messages.
